## Prior authorization requirements for Arizona Complete Health Medicaid effective July 1, 2025

## **General information**

This list contains prior authorization requirements for health care professionals participating with the UnitedHealthcare Community Plan of Arizona Complete Care (ACC) Medicaid program providing inpatient and outpatient services.

To request prior authorization, please submit your request using 1 of the following:

- Online: Use the Prior Authorization and Notification tool on UnitedHealthcare Provider Portal. To
  access the portal, go to UHCprovider.com and click Sign In in the top-right corner to sign in using your
  One Healthcare ID and password.
- Phone: 800-445-1638

## Please note

- To be eligible for prior authorization, services must be covered benefits as outlined and defined by the Arizona Health Care Cost Containment System (AHCCCS)
- Services provided by non-network and out-of-state health care professionals require prior authorization and documentation supporting the out-of-network request
- Experimental and investigational services are not covered benefits
- All rendering health care professionals, facilities and vendors must be actively registered with AHCCCS
- Services delivered inside the multi-specialty interdisciplinary clinics (MSIC) to children's rehabilitative services (CRS)-designated/CRS formerly designated members do not require prior authorization
- Only 1 health care professional may request services on a prior authorization request form
- Only medically necessary, cost-effective, federally- and state-reimbursable services are covered as outlined by AHCCCS

| Procedures and services | Additional information  | CPT <sup>®</sup> or HCPCS codes and/or<br>how to obtain prior authorization |
|-------------------------|---|---|
| Allergy immunotherapy   | For members younger than 21:  |   |
|                         | Allergy immunotherapy <u>and</u> allergy testing is covered under Early and Periodic Screening, Diagnostic and Treatment (EPSDT) when medically necessary.  |   |
|                         | For members 21 and older:   |   |
|                         | Allergy immunotherapy, including desensitization treatments administered by subcutaneous injections (allergy shots), sublingual immunotherapy (SLIT) or another route of administration, is <u>not</u> a covered benefit. |   |
|                         | Allergy testing, including testing for common allergens, is a covered benefit when the member has:  |   |
