Prior authorization requirements for Arizona Long Term Care

Effective July 1, 2025

General information

This list contains prior authorization requirements for health care professionals participating with the UnitedHealthcare Community Plan of Arizona Long Term Care providing inpatient and outpatient services.

Additional state variations and regulations may apply. To request prior authorization, please submit your request using one of the following:

- Online: Use the Prior Authorization and Notification tool on the UnitedHealthcare Provider Portal. To access the portal, go to UHCprovider.com and click Sign In in the top-right corner to sign in using your One Healthcare ID and password.
- By phone: Call 877-842-3210

Please note

- To be eligible for authorization, services must be covered benefits as outlined and defined by the Arizona Health Care Cost Containment System (AHCCCS)
- Services provided by out-of-network, out-of-state health care professionals require prior authorization and documentation supporting the out-of-network request
- Experimental and investigational services are not covered benefits
- All rendering health care professionals, facilities and vendors must be actively registered with AHCCCS
- Only 1 health care professional may request services on a prior authorization request form
- Only medically necessary, cost-effective, federal- and state-reimbursable services are covered, as outlined by AHCCCS

Procedures and services	Additional information	CPT [®] or HCPCS codes and/or how to obtain prior authorization
Allergy immunotherapy	For members younger than 21: Allergy immunotherapy <u>and</u> allergy testing is covered under Early and Periodic Screening, Diagnostic and Treatment (EPSDT) when medically necessary.	
	For members 21 and older: Allergy immunotherapy, including desensitization treatments administered by subcutaneous injections (allergy shots), sublingual immunotherapy or another route of administration, is <u>not</u> a covered benefit.	
	 Allergy testing, including testing for common allergens, is a covered benefit when the member has: Sustained an anaphylactic reaction to an unknown allergen Exhibited such a severe allergic reaction where it's reasonable to assume further exposure to the unknown allergen may 	
		ul United

result in a life-threatening situation. Examples include severe facial swelling, breathing difficulties, epiglottal swelling, extensive urticaria, etc. Prior authorization is required for allergy testing when it meets the criteria above. rior authorization is required for the codes listed.	92607 E2500 E2508 E2599 43644 43775	ain prior aut 92608 E2502 E2510 V5336	92609 E2504 E2511	A9901 E2506 E2512
