

Behavioral health prior authorization requirements for Rocky Mountain Health plans CHP+

Effective July 1, 2025

This list reviews the prior authorization requirements for which Rocky Mountain Health Plans (RMHP) CHP+ is the primary payer. Services not covered under the Evidence of Coverage will be subject to prior authorization.

This list changes periodically. Updates are announced in the UnitedHealthcare **Network News**. Please see our **Advance Notification and Prior Authorization Requirements** for the most current information.

Requesting prior authorization for the listed services

- Participating and non-participating health care professionals may fax requests and documentation to **888-240-2689** or email **rmhpbhvm@uhc.com**
- For questions about behavioral health services (including mental health and substance use disorders), call **877-668-5947**
- Admitting facility may give advance notification by calling **877-668-5947**

Prior authorization is not required for emergency or urgent care. Out-of-network physicians, facilities and other health care professionals must request prior authorization for all procedures and services, excluding emergent or urgent care.

Single-case agreement requirements

For Rocky Mountain Health Plans (RMHP) CHP+ plans, the following CPT® codes do not require authorization for out-of-network providers; however, the plans do require a single-case agreement for payment:
