SFY 2025 DPP Round 2 Reporting Now Open and Materials Posted

The State Fiscal Year (SFY) 2025 Round 2 reporting period is now open for the following directed payment programs (DPPs):

- Comprehensive Hospital Increase Reimbursement Program (CHIRP)
- Directed Payment Program for Behavioral Health Services (DPP BHS)
- Rural Access to Primary and Preventive Services (RAPPS)
- Texas Incentives for Physician and Professional Services (TIPPS)

Reporting templates, companions, and other reporting resources are now available on the [reporting portal](#) bulletin board. All participating providers must upload their completed reporting template to the [reporting portal](#) by April 30, 2025.

CHIRP Component 3 hospitals must report their pay-for-performance measure data. Reported calendar year 2024 data will establish baselines for SFY 2026 CHIRP Component 3 and TIPPS Component 2 pay-for-performance measures.

Reporting Webinar

Join us for the SFY 2025 Round 2 reporting webinar on Wednesday, April 2, at 2 p.m. CDT. We will address the quality reporting requirements, how to avoid required corrections or feedback, major changes from the last reporting round, and timelines for the reporting period. [Register for the webinar](#).

A recording of the reporting webinar will be posted on the [reporting portal](#) bulletin board by April 3.
