

Community mental health center contracting

This quick reference guide is designed to help ensure compliance for participating UnitedHealthcare Community Plan of Texas health care professionals that are part of Community Mental Health Centers (CMHCs). Those seeking to contract services in addition to behavioral health must complete the following:

- Register appropriate National Provider Identifier numbers (NPIs) and taxonomies with Texas Medicaid and Healthcare Partnership (TMHP) through the **Provider Enrollment and Management System (PEMS)**
- Update the **National Plan & Provider Enumeration System (NPPES)** registry with the appropriate NPIs and taxonomies
- Submit documentation for the following:
 - Behavioral health: Input roster information using **Optum | Provider Express** Transactions > My Practice Info
 - Medical, early childhood intervention (ECI), physical, occupational and speech therapy (PT/OT/ST): Submit your request to join an existing group agreement at **Join Our Network**

Note: For more information on how to add services to your existing enrollment, go to **Provider Enrollment and Management System (PEMS) | TMHP**.
