Verifying member eligibility

You can verify member eligibility:

Online: Sign in to the [UnitedHealthcare Provider Portal](#) and select Eligibility

Prior authorization

Prior authorization may be required for certain services based on the member's plan. Inpatient and outpatient services generally don't require prior authorization when members are referred to health care professionals who participate with UnitedHealthcare Medicare Advantage PPO.

Services that require prior authorization will be listed at [UHCprovider.com/priorauth](#) > Advance Notification and Plan Requirement Resources. Submit your request at least 14 days before the planned date of service:

Online: [optumproportal.com](#)

By phone: 888-598-7855

You don't need to submit another prior authorization request if a request was previously reviewed and approved by UnitedHealthcare for dates of service starting Jan. 1, 2025, and after. Optum Health Networks will reimburse services approved by UnitedHealthcare.

Hospital admission notifications

Please notify Optum Health Networks of hospital admissions no later than 1 business day after admission:

Member ID cards

Members in the affected plans will get new member ID cards that show the Payer ID LIFE1 and will have other applicable delegation-specific descriptors such as delegate name and delegate website listed as the care provider contact. You can download a copy of the member ID card when you verify eligibility and benefits in the [UnitedHealthcare Provider Portal](#).

2025 UnitedHealthcare UCard

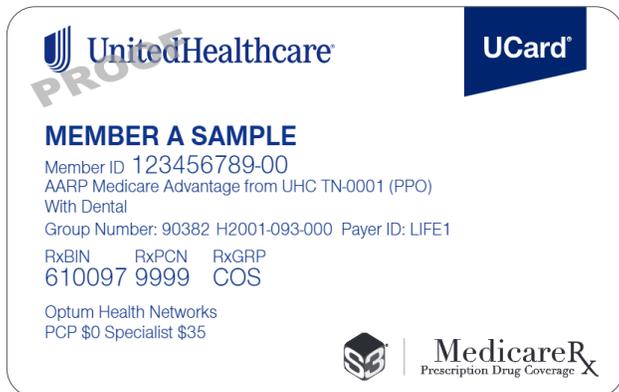

PCP removal

- Starting, Jan. 1, 2025, the primary care provider (PCP) name and phone number will be removed from some UCards for UnitedHealthcare individual Medicare Advantage plans
- Providers can access the member's PCP assignment information on the UnitedHealthcare Provider Portal or via eligibility check (EDI 270/271)
- This change will affect most open access HMO, POS and PPO plans
- The PCP name and phone number will continue to display on most Gatekeeper (referral plans)
- UnitedHealthcare Medicare Advantage plans that have delegated risk arrangements will continue to display the delegated entity's name on the front of the UCard, if desired by the delegated entity

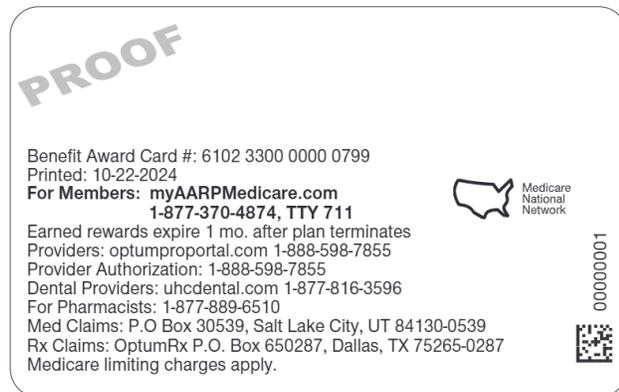

Member ID

You can download a copy of the member ID card when you verify eligibility and benefits in the [UnitedHealthcare Provider Portal](#).

- UnitedHealthcare UCard makes it easier for members to access their benefits and programs so they can take advantage of their plan offerings
- UCard does not need to be activated for you to verify eligibility or provide care services to members and should be used in the same manner as any other UnitedHealthcare member ID card
- UCard cannot be used for member out-of-pocket expenses, including copays, coinsurance or deductibles
- Each UCard includes a Benefit Award Card Number, security numbers, expiration dates and a machine-readable bar code or magnetic stripe for in-store purchases or spending rewards – providers do not need to scan the barcode to provide medical, dental, prescription, vision or hearing services to the member
- Payer ID is moving to front of the member ID card
