

Telehealth/ Virtual Health Policy, Professional for Louisiana

IMPORTANT NOTE ABOUT THIS REIMBURSEMENT POLICY

You are responsible for submission of accurate claims. This reimbursement policy is intended to ensure that you are reimbursed based on the code or codes that correctly describe the health care services provided. UnitedHealthcare Community Plan reimbursement policies uses Current Procedural Terminology (CPT®), Centers for Medicare and Medicaid Services (CMS) or other coding guidelines. References to CPT or other sources are for definitional purposes only and do not imply any right to reimbursement.

This reimbursement policy applies to all health care services billed on CMS 1500 forms and, when specified, to those billed on UB04 forms. Coding methodology, industry-standard reimbursement logic, regulatory requirements, benefits design and other factors are considered in developing reimbursement policy.

This information is intended to serve only as a general reference resource regarding UnitedHealthcare Community Plan’s reimbursement policy for the services described and is not intended to address every aspect of a reimbursement situation. Accordingly, UnitedHealthcare Community Plan may use reasonable discretion in interpreting and applying this policy to health care services provided in a particular case. Further, the policy does not address all issues related to reimbursement for health care services provided to UnitedHealthcare Community Plan enrollees.

Other factors affecting reimbursement supplement, modify or, in some cases, supersede this policy. These factors include but are not limited to: federal &/or state regulatory requirements, the physician or other provider contracts, the enrollee’s benefit coverage documents, and/or other reimbursement, medical or drug policies.

Finally, this policy may not be implemented exactly the same way on the different electronic claims processing systems used by UnitedHealthcare Community Plan due to programming or other constraints; however, UnitedHealthcare Community Plan strives to minimize these variations.

UnitedHealthcare Community Plan may modify this reimbursement policy at any time by publishing a new version of the policy on this Website. However, the information presented in this policy is accurate and current as of the date of publication.

Application

This reimbursement policy applies to UnitedHealthcare Community Plan Medicaid products.

This reimbursement policy applies to services reported using the 1500 Health Insurance Claim Form (a/k/a CMS-1500) or its electronic equivalent or its successor form. This policy applies to all products and all network and non-network physicians and other qualified health care professionals, including, but not limited to, non-network authorized and percent of charge contract physicians and other qualified health care professionals.

Policy

Overview

This policy describes reimbursement for Telehealth and Telemedicine services, which occur when the Physician or Other Qualified Healthcare Professional and the patient are not at the same site. Examples of such services are those that are delivered over the phone, via the Internet or using other communication devices. Note: For the purposes of this policy, the terms Telehealth and Telemedicine are used interchangeably.

Reimbursement Guidelines

Codes and Modifiers

UnitedHealthcare Community Plan will consider for reimbursement Telehealth services which are recognized by The Centers for Medicare and Medicaid Services (CMS) as well as services recognized by the AMA included in Appendix P of CPT and appended with modifier 95.

In addition, UnitedHealthcare Community Plan recognizes certain additional services which can be effectively performed via Telehealth/Telemedicine. These services will be considered for reimbursement when reported with modifier 95:

- Alcohol and/or substance abuse screening and brief intervention services (code 99408)

[UnitedHealthcare Community Plan Louisiana State Telemedicine Code List](#)

UnitedHealthcare Community Plan requires one of the following modifiers to be reported when performing a service via Telehealth to indicate the type of technology used and to identify the service as Telehealth. UnitedHealthcare Community Plan will consider reimbursement for a procedure code/modifier combination using these modifiers only when the modifier has been used appropriately. Coding relationships for modifier 95 are administered through the UnitedHealthcare Procedure to Modifier Policy.

| Modifier | Description |
|----------|--|
| 95 | Synchronous Telemedicine Service Rendered Via a Real-Time Interactive Audio and Video Telecommunications system (reported only with codes from Appendix P) |

Questions and Answers

| | |
|----------|--|
| 1 | <p>Q: How does UnitedHealthcare Community Plan reimburse for phone calls to patients that are not associated with any other service? For example, a pediatrician receives a call from a mother at 2 A.M. regarding an asthmatic child having difficulty breathing. The physician handles the situation over the phone without requiring the child to be seen in an emergency room. On what basis will the visit be denied?</p> <p>A: UnitedHealthcare Community Plan will not reimburse for these services (99441-99443 or 98966-98968), as they are considered included in the overall management of the patient.</p> |
| 2 | <p>Q: A physician makes daily telephone calls to an unstable diabetic patient to check on the status of his condition. These services are in lieu of clinic visits. Will UnitedHealthcare Community Plan reimburse the physician for these telephone services?</p> <p>A: No, UnitedHealthcare Community Plan will not reimburse telephone services (99441-99443 or 98966-98968), as they are considered included in the overall management of the patient.</p> |
| 3 | <p>Q: What is the difference between Telehealth services and telephone calls?</p> <p>A: Telehealth services are live, interactive audio and visual transmissions of a physician-patient encounter from one site to another using telecommunications technology. They may include transmissions of real-time telecommunications or those transmitted by store-and-forward technology. Telephone calls, which are considered audio transmissions, per the CPT definition, are non-face-to-face evaluation and management (E/M) services provided to a patient using the telephone by a Physician or Other Qualified Health Care Professional, who may report evaluation and management services.</p> |
