

UnitedHealthcare National Gold Card Program CPT Code List

The following table contains the CPT® codes applicable to the UnitedHealthcare national Gold Card program, effective Oct. 1, 2024.

Provider groups that are qualified for the national Gold Card program are required to submit advance notification of these services for eligible members, but no clinical information will be requested.

An advance notification can be started in the same method as a prior authorization request. If the tax ID, CPT code and health plan member all qualify for the Gold Card program, provider groups will receive notice that no additional information is needed.

Below is a list of the CPT codes and associated descriptions. You can also [get just the codes](#).
