1. Background:

Step therapy type programs have been utilized to encourage use of lower cost alternatives for certain therapeutic classes. This program requires a trial of at least three step one medications before providing coverage for Auvelity, Trintellix or Fetzima. If a member has three step one medications in claim’s history in the previous 180 days then Auvelity, Trintellix or Fetzima will automatically process. Members with a history of Auvelity, Trintellix or Fetzima as documented in claims history will be allowed continued coverage of their current therapy. Members new to therapy will be required to meet the below criteria.

2. Coverage Criteria^a:

Authorization

A. Auvelity, Trintellix or Fetzima will be approved based upon **ONE** of the following:

1. History of failure after at least 4 weeks of therapy, contraindication, or intolerance to at least **THREE** of any formulation of the following (document drug and date of trials):
 - a. bupropion
 - b. citalopram
 - c. duloxetine
 - d. escitalopram
 - e. fluoxetine
 - f. fluvoxamine
 - g. paroxetine
 - h. sertraline
 - i. venlafaxine IR/ER (capsules)

-OR-

2. The requested medication was initiated during a recent inpatient mental health hospitalization, and the member is stabilized on the requested medication

-OR-

3. Member is new to the plan and currently stabilized on the requested medication (as

evidenced by coverage effective date of less than or equal to 120 days)

Authorization will be issued for 12 months.

^a State mandates may apply. Any federal regulatory requirements and the member specific benefit plan coverage may also impact coverage criteria. Other policies and utilization management programs may apply.

3. Other Clinical Programs:

- Notwithstanding Coverage Criteria, UnitedHealthcare may approve initial and re-authorization based solely on previous claim/medication history, diagnosis codes (ICD-10) and/or claim logic. Use of automated approval and re-approval processes varies by program and/or therapeutic class.
- Supply limits may also be in place.
